Sub: Book “Drug Information about commonly used drugs” for Library of Pharmacy Institutions.

Sir/Madam

This has a reference to the subject cited above. In this connection, I am directed to state that the book “Drug information about commonly used drugs” by Sri P.P. Sharma and Dr. Ramendra Singh is quiet useful for the pharmacy students, hence pharmacy institutions may keep this book in their library. For further details, institutions may approach the authors in the matter.

Yours faithfully
