To All Institutions approved by PCI for conduct of course u/s 12 of

- i) Pharm.D
- ii) Pharm.D (PB)

**Sub: Duration of MOU / tie-up between the Pharm.D Institution / Hospital.**

Sir/Madam

This has a reference to the subject cited above, 256 Executive Committee of the Pharmacy Council of India in its meeting held in June, 2014

1) noted that the existing provisions with regard to validity of MOU is as under -

7. This agreement is to be in effect at least for ten years from the time of its endorsement by both the parties.

2) observed that in between the institution switches over to another hospital for internship / clinical training to students without approval of the PCI.

3) in order to curb this practice, it was decided to -

- a) write to all Pharm.D. institutions not to change the tie-up with the hospital without approval of PCI failing which Council may consider withdrawal of approval.
- b) in the deputation letter name of the hospital with which the institution has submitted the MOU be mentioned and inspectors be asked to visit the said hospital only. Inspector shall not visit any other hospital other than intimated by the PCI.

Yours faithfully

(ARCHNA MUDGAL)  
Registrar-cum-Secretary
