ALL INSPECTORS OF THE PCI

Sub: Proper verification of the information given in the SIF and SDFs by inspectors at the time of inspection.

Sir / Madam,

With reference to the subject cited above, it is informed that the subject cited issue was considered by 95 Central Council of the PCI in its meeting held in May, 2014 which noted that sometimes information given in the SDF is not properly verified by the deputed inspectors at the time of inspection. In view of above, it was decided to issue a circular to all PCI inspectors that they should carefully verify the information claimed by the institution in the SIF and SDF from original record maintained by the institution particularly with regard to teaching staff like appointment order, qualification certificate, date of joining, attendance register etc. before submitting the report to PCI. In case any information given by the inspector is found to be false at a later date, PCI may consider removal of his/her name from the PCI inspector panel.

Your are requested to please note the above decision for strict compliance in future.

Yours faithfully

(ARCHNA MUDGAL)
