Sir/Madam

This is in continuation in Council's above cited circulars dt. 14.12.2023 & 22.12.2023.

PCI is in receipt of various representations across India to extend the last date due to technical problem in the software. In view of it, it has been decided to extend the last date for submission of application upto 20.1.2024.

All the institutions are requested not to wait for the last date as crowding may slow down the server, hence application be submitted at the earliest within the stipulated date.

The consequences of failure to apply will rest on the institutions as no further extension will be given by the Council.

In case of any technical query please take a screenshot and forward on the PCI grievances portal.

The link and screenshot are attached as **Appendix -1**.

Yours faithfully

(ANIL MITTAL)
