Sir/Madam

This is in continuation to Council's above cited circulars, the PCI has decided to extend the last date of submission of application w.e.f. 21.2.2023 to 27.2.2023.

All the institutions are requested not to wait for the last date as crowding may slow down the server, hence application be submitted at the earliest within the stipulated date.

The consequences of failure to apply will rest on the institutions as no further extension will be given by the Council.
